For better life, CURAUM

CERTIFICATE

OVERSEAS CERTIFICATION

- FCC/CE/PSE

PATENT APPLICATION

- Clium / Clium PLUS
- Smart process management system for dental restoration factories in which process sequence is variable according to dental restorations

PATENT REGISTRATION

- Ultrasonic cleaner
- A method for fabricating two-layer porous bioactive membranes using spin coating technology and freeze-drying technology, and two-layer porous bioactive membranes fabricated by the method
- Electronic device embedded module, dental restoration in which the module is installed, and method for manufacturing the dental restoration

PCT APPLICATION

- A production method of a bioactive membrane with a fusion of the spincoating and freeze-drying technology and a bioactive membrane produced accordingly

Curaum Inc. 3rd Fl #302-1-2, Electronics and Telecommunications Research Institute, 218 Gajeong-ro, Yuseong-gu, Daejeon

World's First Smart Oral Appliance Cleaner

THE LYCEUM OF BEING
WELL-BEING

curaum

World's First Smart Oral Appliance Cleaner

Standard Dental Cleaner

- Powerful ultrasonic cleaning (40~42 kHz)
- Near perfect UV disinfection (270~280 UV-C Light)

Smart Dental Cleaner

- Supports Mobile Apps (remote control / push alarm, etc.)
- Voice control with AI speaker (For Google Home / Amazon Alexa)

Stylish Dental Cleaner

- Separated structure for maximized usability
- Elegant design with metallic exterior and corrosion-resistant stainless-steel interior

• Clium Cleaner Plus

• Clium Cleaner

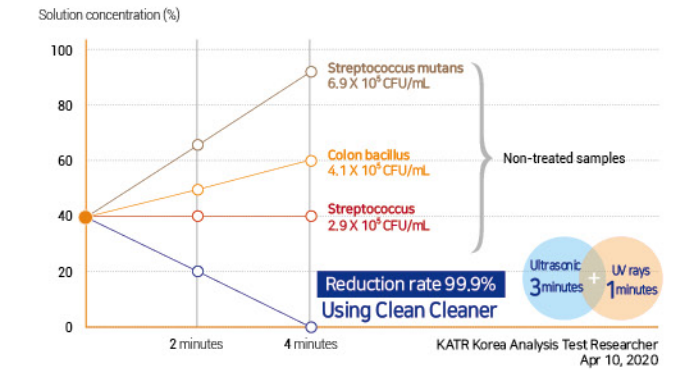

KEY ATTRIBUTES

✓ High levels of technology

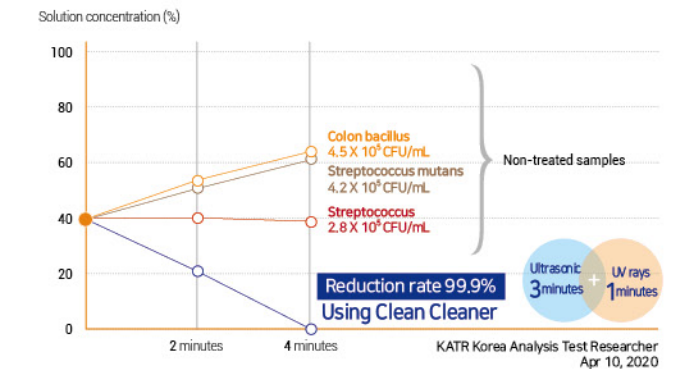

• Simultaneous cleaning and disinfection

- In addition to the microorganism removal functions, in which foreign substances and germs are dropped on a surface with ultrasonic waves, UV radiation is applied to disinfect germs on the cleaned object's surface and internal solutions.

✓ Viable bacteria reduction rate measurement (Disinfection of internal substances)

✓ Viable bacteria reduction rate measurement (Test of sample surface disinfection power)

✓ High capacities for entering foreign markets

• Holds a variety of overseas certifications

• Experience of participation in overseas exhibits and selling samples

Place of delivery(Country)	Participated in AEEDC 2020 exhibit, sold samples at this exhibit
Product or service delivered	Clium Cleaner / Clium Cleaner Plus
Period	Feb 4, 2020 - Feb 6, 2020
Delivery amount	₩ 2,500,000
